## Senior Care Resource Fair

NMACC is sponsoring our first Senior Care Resource Fair for the July 21<sup>st</sup> meeting. Four incredible non-profits will speak on how their help to seniors in our communities makes a difference. The informality of this event is sure to make connections even stronger between members and those who serve in these organizations.

### President's Piece:

Once again, the Senior Olympics will be held in Roswell, NM on from July 13-16. I have the privilege of being asked to judge "[Seniors Got Talent](#)," a statewide competition put on by [New Mexico Senior Olympics](#).

What strikes me most about NMSO is their motto: "**You don't stop playing because you grow old, you grow old because you stop playing.**" If you're like me, you've seen that in senior care. Even if it's simply playful activity (like being pinched on the backside at a senior dancing event - true story) or having a playfully-creative conversation with someone with advanced dementia. Play really does keep us younger.

Keep play in mind as you care for those who can't care for themselves this summer - and really make their day!
